

# Up & Up – Coldplay

Fixing up a car to drive in it again  
Searching for the water hoping for the rain  
Up and up, up and up  
Down upon the canvas, working meal to meal  
Waiting for a chance to pick your orange field  
Up and up, up and up  
See a pearl form, a diamond in the rough  
See a bird soaring high above the flood  
It's in your blood, it's in your blood  
Underneath the storm an umbrella is saying  
Sitting with the poison takes away the pain  
Up and up, up and up it's saying

We're going to get it get it together right now  
Going to get it get it together somehow  
Going to get it get it together and flower  
Oh oh oh oh oh oh  
We're going to get it get it together I know  
Going to get it get it together and flow  
Going to get it get it together and go  
Up and up and up

Lying in the gutter, aiming for the moon  
Trying to empty out the ocean with a spoon  
Up and up, up and up  
How come people suffer how come people part?  
How come people struggle how come people break your heart?  
Break your heart  
Yes I want to grow yes I want to feel  
Yes I want to know show me how to heal it up  
Heal it up  
See the forest there in every seed  
Angels in the marble waiting to be freed  
Just need love just need love  
When the going is rough saying

We're going to get it get it together right now  
Going to get it get it together somehow  
Going to get it get it together and flower  
Oh oh oh oh oh oh  
We're going to get it get it together I know  
Going to get it get it together and flow  
Going to get it get it together and go

And you can say what is, or fight for it  
Close your mind or take a risk  
You can say it's mine and clench your fist  
Or see each sunrise as a gift

We're going to get it get it together right now  
Going to get it get it together somehow  
Going to get it get it together and flower  
Oh oh oh oh oh oh  
We're going to get it get it together I know  
Going to get it get it together and flow  
Going to get it get it together and go  
Up and up and up

We're going to get it get it together right now  
Going to get it get it together somehow  
Going to get it get it together and flower  
Oh oh oh oh oh oh  
We're going to get it get it together I know  
Going to get it get it together and flow  
Going to get it get it together and go

Up and up and up

Oh-oh oh, oh-oh oh oh oh oh

Fixing up a car to drive in it again  
When you're in pain  
When you think you've had enough  
Don't ever give up  
Don't ever give up
