## **Heather - Conan Gray**

I still remember, third of December, me in your sweater You said it looked better on me than it did you Only if you knew, how much I liked you But I watch your eyes as she

Walks by What a sight for sore eyes, brighter than a blue sky She's got you mesmerized while I die

Why would you ever kiss me?
I'm not even half as pretty
You gave her your sweater, it's just polyester
But you like her better
(Wish I were Heather)

Watch as she stands with her, holding your hand Put your arm 'round her shoulder, now I'm getting colder But how could I hate her? She's such an angel But then again, kinda wish she were dead as she

Walks by What a sight for sore eyes, brighter than a blue sky She's got you mesmerized while I die

Why would you ever kiss me?
I'm not even half as pretty
You gave her your sweater, it's just polyester
But you like her better
(I wish I were Heather)

(Oh) Wish I were Heather (Oh, oh) Wish I were Heather

Why would you ever kiss me? I'm not even half as pretty You gave her your sweater, it's just polyester

## But you like her better Wish I were
