

My happiness – Connie Francis

Evening shadows make me blue
When each weary day is through
How I long to be with you,
My happiness
Every day I reminisce
Dreaming of your tender kiss
Always thinking how I miss
My happiness
A million years it seems
Have gone by since we shared our dreams
But I'll hold you again
There'll be no blue memories then
Whether skies are gray or blue
Any place on earth will do
Just as long as I'm with you,
My happiness
Whether skies are gray or blue
Any place on earth will do
Just as long as I'm with you,
My happiness
