## Put your records on - Corinne Bailey Rae

Three little birds, sat on my window And they told me I don't need to worry Summer came like cinnamon So sweet, Little girls double-dutch on the concrete

Maybe sometimes, we got it wrong, but it's alright And nothing seems to change, and it all will stay the same Oh, don't you hesitate

Girl, put your records on, tell me your favourite song You go ahead, let your hair down Sapphire and faded jeans, I hope you get your dreams, Just go ahead, let your hair down

You're gonna find yourself somewhere, somehow

Blue as the sky, sombre and lonely, Sipping tea in the bar by the road side, (just relax, just relax) Don't you let those other boys fool you, Gotta love that afro hairdo

Maybe sometimes, we feel afraid, but it's alright The more you stay the same, the more they seem to change Don't you think it's strange?

Girl, put your records on, tell me your favourite song You go ahead, let your hair down Sapphire and faded jeans, I hope you get your dreams, Just go ahead, let your hair down

You're gonna find yourself somewhere, somehow

Just more than I could take, pity for pity's sake Some nights kept me awake, I thought that I was stronger When you gonna realise, That you don't even have to try any longer Do what you want to

Girl, put your records on, tell me your favourite song You go ahead, let your hair down Sapphire and faded jeans, I hope you get your dreams, Just go ahead, let your hair down

Girl, put your records on, tell me your favourite song You go ahead, let your hair down Sapphire and faded jeans, I hope you get your dreams, Just go ahead, let your hair down

Oh, You're gonna find yourself somewhere, somehow
