## **Accidentally In Love – Counting Crows**

So she said, "What's the problem, baby?"

What's the problem I don't know

Well, maybe I'm in love (love)

Think about it everytime

I think about it

Can't stop thinkin about it

How much longer will it take to cure this?

Just to cure it cause I can't ignore it if its love

Makes me wanna turn around and face me

But I don't know nothing about love

Come on, come on

Turn a little faster

Come on, come on

The world will follow after

Come on, come on

Because everybody's after love

So I said I'm a snowball running

Running down into the spring that's coming all this love

Melting under blue skies

Belting out sunlight

Shimmering love

Well baby I surrender

To the strawberry ice cream

Never ever end of all this love

Well I didn't mean to do it

But there's no escaping your love

These lines of lightning

Mean we're never alone,

Never alone, no, no

Come on, Come on

Move a little closer

Come on, Come on

I want to hear you whisper

Come on, Come on

Settle down inside my love

Come on, come on

Jump a little higher Come on, come on If you feel a little lighter Come on, come on We were once Upon a time in love We're accidentally in love Accidentally in love (7x)Accidentally I'm In Love, Accidentally I'm In Love, Accidentally Come on, come on Spin a little tighter Come on, come on And the world's a little brighter Come on, come on Just get yourself inside her LoveI'm in love
