

Love Maria – Crazy Loop

I love Maria,
always
I love Maria,
always true
Always true
She's perfect
(perfect, perfect, perfect, perfect)
(-----)
I want you to feel what I'm feeling
I want you to see what I see
Got '80s on my brain
('80s on my brain)
I'll show you the colors you're missing
'Cause I live the moment each day
Got '80s on my brain
('80s on my brain)
And now you feel it
(ooh-ooh)
And now you see it
(ooh-ooh)
And I would do anything
(ooh-ooh)
To have her close, close,
close, closer
I love Maria,
always
I love Maria,
always true
Always true
She is perfect
I love Maria,
always
I love Maria,
always true
Always true
She's perfect like you

('80s, my brain)
('80s, my brain)
('80s, my brain)
('80s, my brain)
Come get on this rollercoaster
Don't be afraid, be as free
As '80s on my brain
('80s on my brain)
Look through my eyes and get closer
This is the time to believe
Got '80s on my brain
('80s on my brain)
And now you feel it
(ooh-ooh)
And now you see it
(ooh-ooh)
And I would do anything
(ooh-ooh)
To have her close, close,
close closer
I love Maria,
always
I love Maria,
always true
Always true
She is perfect
I love Maria,
always
I love Maria,
always true
Always true
She's perfect like you
('80s, my brain)
('80s, my brain)
('80s, my brain)
('80s)
She's perfect
