

# What's This Life For – Creed

Hurray for a child  
That makes it through  
If there's any way  
Because the answer lies in you  
They're laid to rest  
Before they've known just what to do  
Their souls are lost  
Because they could never find  
What's this life for x4  
I see your soul, it's kind of gray  
You see my heart, you look away  
You see my wrist, I know your pain  
I know your purpose on your plane  
Don't say a last prayer  
Because you could never find  
What's this life for x4  
But they ain't here anymore  
Don't have to settle the score  
Cause we all live  
Under the reign of one king  
But they ain't here anymore,  
Don't have to settle no Goddamn score  
'Cause we all live under the reign,  
I said, you know, of  
One king [x3]  
But they ain't here anymore,  
Don't have to settle no Goddamn score  
'Cause we all live under the reign  
I said, you know, of  
One king [x3]  
But they ain't here anymore,  
Don't have to settle no Goddamn score  
Cause we all live under the reign  
Of one king
