

Move Away – Culture Club

Moving, moving
Move away
Move away
Spirit changed the conversation
Stepping stones across the land
I never wanted to be a hero
I never wanted to be a man
I hurt you darling
I made you cry
I hurt you darling
Don't ask me why
Move, move, move away from me darling
I never said I'd hold your hand
Move, move, move away from me darling
I never said I'd understand
If I could say this was judgment day
You know I'd be a millionaire
I'm prepared to wear my sorrow
Everywhere we go in town
Ain't no need to beg or borrow
While you're there to drag me down
I hurt you darling
I made you cry
I hurt you darling
Don't ask me why, oh yeah
Move, move, move away from me darling
I never said I'd hold your hand
Move, move, move away from me darling
I never said I'd understand
If I could say this was judgment day
You know I'd be a millionaire, yeah, yeah
Just right
Move away
I need you so
I can't let go
Move away

I hurt you darling
I made you cry
I hurt you darling
Don't ask me why, oh why
Move, move, move away from me darling
I never said I'd hold your hand
Move, move, move away from me darling
I never said I'd understand
Move, move, move away from me darling
I never said I'd hold your hand
If I could say this was judgment day
I'd be a millionaire, oh yeah
Moving, moving
Move away
I never said that I'd hold your hand
Move, move, move, away
Why don't you move?
I never said I'd understand
Move away
Move, move, move, away
Why don't you move away? (Moving, moving)
Move away
Why don't you move away?
