

# Move Away – Culture Club

Moving, moving  
Move away  
Move away  
Spirit changed the conversation  
Stepping stones across the land  
I never wanted to be a hero  
I never wanted to be a man  
I hurt you darling  
I made you cry  
I hurt you darling  
Don't ask me why  
Move, move, move away from me darling  
I never said I'd hold your hand  
Move, move, move away from me darling  
I never said I'd understand  
If I could say this was judgment day  
You know I'd be a millionaire  
I'm prepared to wear my sorrow  
Everywhere we go in town  
Ain't no need to beg or borrow  
While you're there to drag me down  
I hurt you darling  
I made you cry  
I hurt you darling  
Don't ask me why, oh yeah  
Move, move, move away from me darling  
I never said I'd hold your hand  
Move, move, move away from me darling  
I never said I'd understand  
If I could say this was judgment day  
You know I'd be a millionaire, yeah, yeah  
Just right  
Move away  
I need you so  
I can't let go  
Move away

I hurt you darling  
I made you cry  
I hurt you darling  
Don't ask me why, oh why  
Move, move, move away from me darling  
I never said I'd hold your hand  
Move, move, move away from me darling  
I never said I'd understand  
Move, move, move away from me darling  
I never said I'd hold your hand  
If I could say this was judgment day  
I'd be a millionaire, oh yeah  
Moving, moving  
Move away  
I never said that I'd hold your hand  
Move, move, move, away  
Why don't you move?  
I never said I'd understand  
Move away  
Move, move, move, away  
Why don't you move away? (Moving, moving)  
Move away  
Why don't you move away?
