Move Away - Culture Club

Moving, moving

Move away

Move away

Spirit changed the conversation

Stepping stones across the land

I never wanted to be a hero

I never wanted to be a man

I hurt you darling

I made you cry

I hurt you darling

Don't ask me why

Move, move, move away from me darling

I never said I'd hold your hand

Move, move, move away from me darling

I never said I'd understand

If I could say this was judgment day

You know I'd be a millionaire

I'm prepared to wear my sorrow

Everywhere we go in town

Ain't no need to beg or borrow

While you're there to drag me down

I hurt you darling

I made you cry

I hurt you darling

Don't ask me why, oh yeah

Move, move, move away from me darling

I never said I'd hold your hand

Move, move, move away from me darling

I never said I'd understand

If I could say this was judgment day

You know I'd be a millionaire, yeah, yeah

Just right

Move away

I need you so

I can't let go

Move away
