

(I Just) Died In Your Arms – Cutting Crew

Oh I, I just died in your arms tonight
It must have been something you said
I just died in your arms tonight

I keep looking for something I can't get
Broken hearts lie all around me
And I don't see an easy way to get out of this
Her diary sits by the bedside table
The curtains are closed, the cat's in the cradle
Who would have thought that a boy like me
Could come to this

Oh I, I just died in your arms tonight
It must have been something you said
I just died in your arms tonight
Oh I, I just died in your arms tonight
It must have been some kind of kiss
I should have walked away,
I should have walked away

Is there any just cause for feeling like this?
On the surface I'm a name on a list
I've tried to be discreet, but then I'd blow it again
I've lost and found, it's my final mistake
She's loving by proxy, no give and all take
Cause I've been thrilled to fantasy one too many times

Oh I, I just died in your arms tonight
It must have been something you said
I just died in your arms tonight
Oh I, I just died in your arms tonight
It must have been some kind of kiss
I should have walked away,
I should have walked away

It was a long hot night

And she made it easy, she made it feel right
But now it's over, the moment has gone
I followed my hands not my head,
I know I was wrong

Oh I, I just died in your arms tonight,
It must have been something you said,
I just died in your arms tonight
I, I just died in your arms tonight,
It must have been some kind of kiss
I should have walked away,
I should have walked away
