

# **( I Just) Died In Your Arms – Cutting Crew**

Oh I, I just died in your arms tonight  
It must have been something you said  
I just died in your arms tonight

I keep looking for something I can't get  
Broken hearts lie all around me  
And I don't see an easy way to get out of this  
Her diary sits by the bedside table  
The curtains are closed, the cat's in the cradle  
Who would have thought that a boy like me  
Could come to this

Oh I, I just died in your arms tonight  
It must have been something you said  
I just died in your arms tonight  
Oh I, I just died in your arms tonight  
It must have been some kind of kiss  
I should have walked away,  
I should have walked away

Is there any just cause for feeling like this?  
On the surface I'm a name on a list  
I've tried to be discreet, but then I'd blow it again  
I've lost and found, it's my final mistake  
She's loving by proxy, no give and all take  
Cause I've been thrilled to fantasy one too many times

Oh I, I just died in your arms tonight  
It must have been something you said  
I just died in your arms tonight  
Oh I, I just died in your arms tonight  
It must have been some kind of kiss  
I should have walked away,  
I should have walked away

It was a long hot night

And she made it easy, she made it feel right  
But now it's over, the moment has gone  
I followed my hands not my head,  
I know I was wrong

Oh I, I just died in your arms tonight,  
It must have been something you said,  
I just died in your arms tonight  
I, I just died in your arms tonight,  
It must have been some kind of kiss  
I should have walked away,  
I should have walked away
