

Time after time – Cyndi Lauper

Lying in my bed
I hear the clock tick and think of you
Caught up in circles,
Confusion is nothing new
Flashback warm nights
Almost left behind
Suitcase of memories
Time after

Sometimes you picture me
I'm walking too far ahead
You're calling to me
I can't hear what you've said

Then you say go slow
I fall behind
The second hand unwinds

If you're lost
You can look and you will find me
Time after time
If you fall I will catch you,
I'll be waiting
Time after time

If you're lost
You can look and you will find me
Time after time
If you fall
I will catch you, I'll be waiting
Time after time

After my picture
Fades and darkness has turned to grey

Watching through windows
You're wondering if I'm okay
Secrets stolen from deep inside
The drum beats out of time

If you're lost
You can look and you will find me
Time after time
If you fall
I will catch you, I'll be waiting
Time after time

If you're lost
You can look and you will find me
Time after time
If you fall
I will catch you, I'll be waiting
Time after time

You say go slow
I fall behind
The second hand unwinds

If you're lost
You can look and you will find me
Time after time
If you fall
I will catch you, I'll be waiting
Time after time

If you're lost
You can look and you will find me
Time after time
If you fall
I will catch you, I'll be waiting
Time after time
Time after time
Time after time
Time after time

Time after time
Time after time
