

True Colors – Cyndi Lauper

You with the sad eyes
Don't be discouraged
Do I realize
It's hard to take courage
In a world full of people
You can lose sight of it all
And the darkness (uh) inside you
Make you feel so small

But I see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful
Like a rainbow

Show me a smile then
Don't be unhappy, can't remember when
I last saw you laughing
If this world makes you crazy
And you take it all you can bear
You call me up
Because you know I'll be there

And I see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let show
Your true colors
Your true colors are beautiful
Like a rainbow

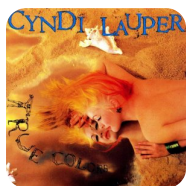

(Can't remember when I last saw you laughing)

If this world makes you crazy
And you take it all you can bear
You call me up
Because you know I'll be there

And I see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let it show

Your true colors
True colors
True colors
Eh, Shining through

I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful
Like a rainbow
