

Get Lucky (Karen Souza version) – Daft Punk

Ike the legend of the Phoenix
All ends with beginnings
What keeps the planets spinning (uh)
The force from the beginning
We've come too far to give up who we are
So let's raise the bar
And our cups to the stars
She's up all night to the sun
I'm up all night to get some
She's up all night for good fun
I'm up all night to get lucky
We're up all night to the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky
The present has no ribbon
Your gift keeps on giving,
What is this I'm feeling?
If you wanna leave I'm with it (ah)
We've come too far to give up who we are
So let's raise the bar
And our cups to the stars
She's up all night to the sun
I'm up all night to get some
She's up all night for good fun
I'm up all night to get lucky
We're up all night to the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky

We're up all night to get lucky
We're up all night to get lucky
(We're up all night to get
We're up all night to get
We're up all night to get
We're up all night to get)
(We're up all night to get
We're up all night to get
We're up all night to get lucky
We're up all night to get lucky)
