Get Lucky (Karen Souza version) - Daft Punk

Ike the legend of the Phoenix All ends with beginnings What keeps the planets spinning (uh) The force from the beginning We've come too far to give up who we are So let's raise the bar And our cups to the stars She's up all night to the sun I'm up all night to get some She's up all night for good fun I'm up all night to get lucky We're up all night to the sun We're up all night to get some We're up all night for good fun We're up all night to get lucky The present has no ribbon Your gift keeps on giving, What is this I'm feeling? If you wanna leave I'm with it (ah) We've come too far to give up who we are So let's raise the bar And our cups to the stars She's up all night to the sun I'm up all night to get some She's up all night for good fun I'm up all night to get lucky We're up all night to the sun We're up all night to get some We're up all night for good fun We're up all night to get lucky We're up all night to get lucky

We're up all night to get lucky

We're up all night to get lucky
We're up all night to get
We're up all night to get)
(We're up all night to get
We're up all night to get
We're up all night to get
We're up all night to get lucky
