

# Instant Crush (feat. Julian Casablancas) – Daft Punk

I didn't want to be the one to forget  
I thought of everything I'd never regret  
A little time with you is all that I get  
That's all we need  
Because it's all we can take  
One thing I never see  
The same when you're 'round  
I don't believe in him,  
His lips on the ground  
I wanna take you to that place in the Roche  
But no one gives us any time anymore  
He asks me once if I'd look in on his dog  
You made an offer for it, then you ran off  
I got this picture of us kids in my head  
And all I hear is  
The last thing that you said  
"I listened to your problems,  
Now listen to mine"  
I didn't want to anymore, oh-oh-oh  
And we will never be alone again  
'Cause it doesn't happen every day  
Kinda counted on you being a friend  
Can I give it up or give it away?  
Now I thought about what I wanna say  
But I never really know where to go  
So I chained myself to a friend  
'Cause I know it unlocks like a door  
And we will never be alone again  
'Cause it doesn't happen every day  
Kinda counted on you being a friend  
Can I give it up or give it away?  
Now I thought about what I wanna say  
But I never really know where to go  
So I chained myself to a friend  
Some more again

It didn't matter what they wanted to see  
He thought he saw someone  
That looked just like me  
The summer memory that just never dies  
We worked too long and hard  
To give it no time  
He sees right through me,  
It's so easy with lies  
Cracks in the road  
That I would try and disguise  
He runs his scissors at the seam in the wall  
He cannot break it down or else he would fall  
One thousand lonely stars hiding in the cold  
Take it, oh, I don't wanna sing anymore  
"I listened to your problems,  
Now listen to mine"  
I didn't want to anymore, oh-oh-oh  
And we will never be alone again  
'Cause it doesn't happen every day  
Kinda counted on you being a friend  
Can I give it up or give it away?  
Now I thought about what I wanna say  
But I never really know where to go  
So I chained myself to a friend  
'Cause I know it unlocks like a door  
And we will never be alone again  
'Cause it doesn't happen every day  
Kinda counted on you being a friend  
Can I give it up or give it away?  
Now I thought about what I wanna say  
But I never really know where to go  
So I chained myself to a friend  
'Cause I know it unlocks like a—  
I don't understand, don't get upset  
I'm not with you  
We're swimming around, it's all I do  
When I'm with you  
And we will never be alone again  
'Cause it doesn't happen every day  
Kinda counted on you being a friend

Can I give it up or give it away?  
Now I thought about what I wanna say  
But I never really know where to go  
So I chained myself to a friend  
'Cause I know it unlocks like a door  
And we will never be alone again  
'Cause it doesn't happen every day  
Kinda counted on you being a friend  
Can I give it up or give it away?  
Now I thought about what I wanna say  
But I never really know where to go  
So I chained myself to a friend  
'Cause I know it unlocks like a door
