

Left Behind (FnaF Song) – DAGames

Behold the horrors, they lurk beneath
The shadows of remorse
You wouldn't know, of course,
But i force a new judgment day
On this day you will repay
Your respects to all that may
Lurk in between your mind and mankind
So have a seat and be afraid
Fears about to commence, the final ritual
One body is all
We need for this to be complete
And when the day begins to take form
You won't be leaving those doors
You'll only live with us inside the darkness
AS WE TEAR YOU UP INSIDE!
I WAS LEFT BEHIND!
ALL THIS TORTURE WILL UNWIND!
I WAS NEVER ALL THAT KIND!
IF YOU WERE TO REWIND!
THEN YOU WOULD FIND!
I WAS LEFT BEHIND!
TAKE YOUR TURN TO RUN AND HIDE!
I WILL CATCH YOU ALL THE TIME!
THIS NIGHT NO LONGER SHINES!
YOUR TEARS DIVINE!
YOU'LL NOW BE MINE!

Behold the terrors
You won't believe what
I have done to you
I've made it look brand new, oh how cute
But don't digress
I'm the ring master you see
In this horror game you flee
I take up every shadow, believe me
Now have a seat and grab your light

Tears begin to run, you dry
But darkened thoughts are the common grounds
I give myself to be complete
Be as it may our courtesy remains
So we offer you our darkest passion
Take off that blind fold that heals
AND REVEAL YOUR SOUL THAT DIES!
I WAS LEFT BEHIND!
ALL THIS TORTURE WILL UNWIND!
I WAS NEVER ALL THAT KIND!
IF YOU WERE TO REWIND!
THEN YOU WOULD FIND!
I WAS LEFT BEHIND!
TAKE YOUR TURN TO RUN AND HIDE!
I WILL CATCH YOU ALL THE TIME!
THIS NIGHT NO LONGER SHINES!
YOUR TEARS DIVINE!
YOU'LL NOW BE Mine
YOU DARE BRING YOUR FILTH INTO MY LAIR?
WELL THEN LET US DESCEND
RE-BORN AGAIN
OUR SUITS ARE NOW REFINED!
BREATHING NEW LIFE
,INSIDE OUR TOMBS TONIGHT!
YOU HAVE NO IDEA WHAT WE'VE BEEN THROUGH!
TIME AND TIME AGAIN
DON'T HOLD IT ON OUR DEADLIEST DEMISE!
WE CAN'T KEEP YOU ALIVE!
All this torture will unwind
Take it from our broken crimes
We have no place to go, but you would know
Take your turn to run and flee
But deaths your destiny
Stop holding back from me
They burned it all down!
They burn us alive!
They made us look like clowns!
Our souls arise!
But like the jester said to the king
There is bad news that i bring!

NOW LET THE NIGHT BEGIN!
I WAS LEFT BEHIND!
ALL THIS TORTURE WILL UNWIND!
I WAS NEVER ALL THAT KIND!
IF YOU WERE TO REWIND!
THEN YOU WOULD FIND!
I WAS LEFT BEHIND!
TAKE YOUR TURN TO RUN AND HIDE!
I WILL CATCH YOU ALL THE TIME!
THIS NIGHT NO LONGER SHINES!
YOUR TEARS DIVINE!
YOU'LL NOW BE MINE!
