

# Sound Of Silence – Dami Im

Growing tired and weary, brown eyes  
Trying to feel your love through Facetime  
Symphonies of dreams and highlights,  
Caught up in this crazy fast life  
But baby, you're not here with me  
And I keep calling, calling  
Keep calling, call  
Now my heart awakes to the sound of silence  
And it beats to the sound of silence  
And it beats to the sound of silence  
Now my heart awakes to the sound of silence  
And it beats to the sound of silence,  
And it beats to the sound of silence  
Getting hard to break through the madness,  
You're not here, it never makes sense  
Tidal wave of tears are crashing,  
No one hear to save me drowning,  
'cause baby, you're not here with me  
And I keep calling, calling  
Keep calling, call  
Now my heart awakes to the sound of silence  
And it beats to the sound of silence,  
And it beats to the sound of silence  
Now my heart awakes to the sound of silence  
And it beats to the sound of silence,  
And it beats to the sound of silence  
I know I'm stronger and I'm capable,  
I know it's all in my head,  
But I keep calling, calling  
Calling, calling  
(Ooh!)

Now my heart awakes to the sound of silence  
And it beats to the sound of silence, x2  
(silence)

Now my heart awakes to the sound of silence  
And it beats to the sound of silence, x2
