

Born with a broken heart – Damiano David

I've been trying to change (Oh-oh)
Trying to find somebody to love me
Oh no, but I end up
In the same damn place again
Hoping that I could be different,
but I'd be blind to pretend
I wish that I was perfect (Just like you)
But I'm an alien
Oh-no, I'm setting out an SOS, take me home
We're not meant to be together, no
What if I said I'm tryin'
To save your love from dyin'?
Baby, I'm too far gone
Don't wanna see you cryin',
But I just know who I am
And, baby, that's the hardest part of—
Baby, you can't fix me
I was born with a broken heart
If I was a cactus (Oh-oh)
You would be a balloon
Oh-no, I wanna feel the same as you, master
I wanna feel the same as you, but I don't
Oh, what if I said I'm tryin'
To save your love from dyin'?
Baby, I'm too far gone
Don't wanna see you cryin',
But I just know who I am
And, baby, that's the hardest part of—
Baby, you can't fix me
I was born with a broken heart
Oh, oh
Sorry that I'm leaving
Oh, oh
Sorry, we're just different
But, baby, you can't fix me
What if I said I'm tryin'

To save your love from dyin'?
Baby, I'm too far gone
Don't wanna see you cryin',
but I just know who I am
And, baby, that's the hardest part of—
Baby, you can't fix me
Baby, you can't fix me
Baby, you can't fix me
I was born with a broken heart
