

High Enough – Damn Yankees

I don't wanna hear about it anymore
It's a shame I've got to live
Without you anymore
There's a fire in my heart
A pounding in my brain
It's driving me crazy
We don't need to talk about it anymore
Yesterday's just a memory
Can we close the door
I just made one mistake
I didn't know what to say
When you called me baby
Don't say goodnight
Say you're gonna stay forever
Oh oo Oh, all the way
Can you take me high enough
To fly me over (fly me over) yesterday
Can you take me high enough
It's never over
Yesterday's just a memory
(yesterday's just a memory and)
I don't want to live without you anymore
Can't you see I'm in misery
And you know for sure
I would live and die for you
And I'd know just what to do
When you call me baby
Don't say goodbye
Say you're gonna stay forever
Oh oo Oh, all the way
Can you take me high enough
Can you fly me over (fly me over) yesterday
Can you take me high enough
It's never over
Yesterday's just a memory, I'm running
I was running for the door

The next thing I remember
I was running back for more
Yeah
Don't say goodbye
Say you're gonna stay forever
Oh oo Oh, all the way
(all the way, all the way, yeah)
Can you take me high enough
Can you fly me over (fly me over) yesterday
Can you take me high enough
It's never over
Woh oo oh oo oh oo oh
Can you take me high enough
Won't you fly me over
(won't you fly me over) yesterday
Can you take me high enough
It's never over
Woh oo oh oo oh oo oh
