

# High Enough – Damn Yankees

I don't wanna hear about it anymore  
It's a shame I've got to live  
Without you anymore  
There's a fire in my heart  
A pounding in my brain  
It's driving me crazy  
We don't need to talk about it anymore  
Yesterday's just a memory  
Can we close the door  
I just made one mistake  
I didn't know what to say  
When you called me baby  
Don't say goodnight  
Say you're gonna stay forever  
Oh oo Oh, all the way  
Can you take me high enough  
To fly me over (fly me over) yesterday  
Can you take me high enough  
It's never over  
Yesterday's just a memory  
(yesterday's just a memory and)  
I don't want to live without you anymore  
Can't you see I'm in misery  
And you know for sure  
I would live and die for you  
And I'd know just what to do  
When you call me baby  
Don't say goodbye  
Say you're gonna stay forever  
Oh oo Oh, all the way  
Can you take me high enough  
Can you fly me over (fly me over) yesterday  
Can you take me high enough  
It's never over  
Yesterday's just a memory, I'm running  
I was running for the door

The next thing I remember  
I was running back for more  
Yeah  
Don't say goodbye  
Say you're gonna stay forever  
Oh oo Oh, all the way  
(all the way, all the way, yeah)  
Can you take me high enough  
Can you fly me over (fly me over) yesterday  
Can you take me high enough  
It's never over  
Woh oo oh oo oh oo oh  
Can you take me high enough  
Won't you fly me over  
(won't you fly me over) yesterday  
Can you take me high enough  
It's never over  
Woh oo oh oo oh oo oh
