## **High Enough - Damn Yankees**

I don't wanna hear about it anymore It's a shame I've got to live Without you anymore There's a fire in my heart A pounding in my brain It's driving me crazy We don't need to talk about it anymore Yesterday's just a memory Can we close the door I just made one mistake I didn't know what to say When you called me baby Don't say goodnight Say you're gonna stay forever Oh oo Oh, all the way Can you take me high enough To fly me over (fly me over) yesterday Can you take me high enough It's never over Yesterday's just a memory (yesterday's just a memory and) I don't want to live without you anymore Can't you see I'm in misery And you know for sure I would live and die for you And I'd know just what to do When you call me baby Don't say goodbye Say you're gonna stay forever Oh oo Oh, all the way Can you take me high enough Can you fly me over (fly me over) yesterday Can you take me high enough It's never over Yesterday's just a memory, I'm running

I was running for the door

The next thing I remember I was running back for more Yeah Don't say goodbye Say you're gonna stay forever Oh oo Oh, all the way (all the way, all the way, yeah) Can you take me high enough Can you fly me over (fly me over) yesterday Can you take me high enough It's never over Woh oo oh oo oh oo oh Can you take me high enough Won't you fly me over (won't you fly me over) yesterday Can you take me high enough It's never over Woh oo oh oo oh oo oh
