

Tell Me – Damon

It's so simple
Without understanding
You swim through my veins
Since i meet you

You sit in my head
But i enjoy it
Now days flow slowly
And each day is better
I can't stop thinking about you
I love you, and you know that
You know that
You know that
You know that

Tell me, how much you love me
Tell me, how deep is your love
Tell me, what do you mean
I want to know everything
All you have save in your eyes
Everything what you desire
All that you wish

I think is love
This feeling you
Give me a bit of yourself
And i give you my heart
Its so simple
For this feeling i would sell my soul
I wake up from my dreams
Where you wisit me

Tell me, how much you love me
Tell me, how deep is your love
Tell me, what do you mean
I want to know everything

All you have save in your eyes
Everything what you desire
All that you wish

Tell me, how much you love me
Tell me, how deep is your love

Im waiting for you move
Don't wan't to miss me something

Tell me, how much you love me
Tell me, how deep is your love
Tell me, how much you miss me
Tell me, how deep is your love

Tell me, how much you love me
Tell me, how deep is your love
Tell me, what do you mean
I want to know everything
All you have save in your eyes
Everything what you desire
All that you wish

Tell me, how much you love me
Tell me, how deep is your love
