

# Boulevard – Dan Byrd

I don't know why, You said goodbye  
Just let me know you didn't go  
Forever my love  
Please tell me why, You make me cry  
I beg you please on my knees  
If that's what you want me to  
Never knew that it would go so far  
When you left me on that boulevard  
Come again you would release my pain  
And we could be lovers again  
Just one more chance, Another dance  
And let me feel it isn't real  
That I've been losing you  
This sun will rise, Within your eyes  
Come back to me and we will be happy together  
Never knew that it would go so far  
When you left me on that boulevard  
Come again you would release my pain  
And we could be lovers again  
Maybe today, I'll make you stay  
A little while just for a smile  
And love together  
For I will show, A place I know  
In Tokyo where we could be happy together  
Never knew that it would go so far  
When you left me on that boulevard  
Come again you would release my pain  
And we could be lovers again  
Never knew that it would go so far  
When you left me on that boulevard  
Come again you would release my pain  
And we could be lovers again
