

# Sometimes when we Touch – Dan Hill

1

You ask me if I love you  
And I choke on my reply  
I'd rather hurt you honestly  
Than mislead you with a lie

2

And who am I to judge you  
On what you say or do?  
I'm only just beginning to see the real you

Chorus:

And sometimes when we touch  
The honesty's too much  
And I have to close my eyes and hide  
I wanna hold you til I die  
Till we both break down and cry  
I wanna hold you till the fear in me subsides

3

Romance and all its strategy  
Leaves me battling with my pride  
But through the insecurity  
Some tenderness survives

4

I'm just another writer  
Still trapped within my truth  
A hesitant prize fighter  
Still trapped within my youth

Chorus:

And sometimes when we touch  
The honesty's too much  
And I have to close my eyes and hide  
I wanna hold you til I die  
Til we both break down and cry  
I wanna hold you till the fear in me subsides

Bridge:

At times I'd like to break you  
And drive you to your knees

At times I'd like to break through  
And hold you endlessly

5

At times I understand you  
And I know how hard you've tried  
I've watched while love commands you  
And I've watched love pass you by

6

At times I think we're drifters  
Still searching for a friend  
A brother or a sister  
But then the passion flares again

Chorus:

And sometimes when we touch  
The honesty's too much  
And I have to close my eyes and hide  
I wanna hold you til I die  
Till we both break down and cry  
I wanna hold you till the fear in me subsides
