

Bad Day – Daniel Powter

Where is the moment when needed the most
You kick up the leaves and the magic is lost
They tell me your blue skies fade to grey
They tell me your passion's gone away
And I don't need no carryin' on

You stand in the line just to hit a new low
You're faking a smile with a coffee to go
You tell me your life's been way off line
You're falling to pieces every time
And I don't need no carryin' on

'Cause you had a bad day, you're taking one down
You sing a sad song just to turn it around
You say you don't know, you tell me don't lie
You work on a smile and you go for a ride
You had a bad day, the camera don't lie
You're coming back down and you really don't mind
You had a bad day
You had a bad day

Well you need a blue sky holiday
The point is they laugh at what you say
And I don't need no carryin' on

You had a bad day, you're taking one down
You sing a sad song just to turn it around
You say you don't know, you tell me don't lie
You work on a smile and you go for a ride
You had a bad day, the camera don't lie
You're coming back down and you really don't mind
You had a bad day
Ooh, want a holiday

Sometimes the system goes on the blink and the whole thing it turns out wrong
You might not make it back and you know that you could be well all that strong

And I'm not wrong

So where is the passion when you need it the most

Oh you and I

You kick up the leaves and the magic is lost

'Cause you had a bad day, you're taking one down

You sing a sad song just to turn it around

You say you don't know, you tell me don't lie

You work on a smile and you go for a ride

You had a bad day, you see what you like

And how does it feel, one more time

You had a bad day

You had a bad day

Had a bad day

Had a bad day

Had a bad day
