

Blood and tears – Danzig

Blood and tears
Blood and tears
Since you've been gone
I hear you've been crying
Blood and tears
All alone
In your misery
So alone
Could you have
Been deceived
Since I've been gone
I hear you been crying
You cry a thousand tears
Darling don't despair
I know your heart still bleeds
Darling don't you care
There's blood in your tears
All alone
In your misery
So
All alone
You are lost
Endlessly
Since you've been gone
I hear you been crying
You cry a thousand tears
Darling don't despair
I know your heart still bleeds
Darling don't you care
You cry a thousand tears
Darling don't despair
I know your heart still bleeds
Darling don't you care
There's blood in your tears
Yeeeeeeahh
You cry a thousand tears

Darling don't despair
I know your heart still bleeds
Darling don't you care
You cry a thousand tears
Darling don't despair
I know your heart still bleeds
Darling don't you care
There's blood in your tears
There's blood in your tears
Blood and tears
Blood and tears
Blood and tears
