

LOVE BLIND – DARIA

Talk to me
What's on your mind?
Hard to see
Won't you let me inside?
I wanna dive into your ocean
We can hide
I am not afraid of the emotion
Do what you like
Talk to me
What's on your mind?

Baby I don't mind
'Cause I'm feeling fly
It's just you and I
Are we gonna love blind?
I just want it all
All the secrets of your crazy mind

Seven weeks
You by my side
I don't know the reason why
You only call me when high
To tell me I am just so fine
Talk to me
What's on your mind?

Baby I don't mind
'Cause I'm feeling fly
It's just you and I
Are we gonna love blind?
I just want it all
All the secrets of your crazy mind

Baby I don't mind
'Cause I'm feeling fly
It's just you and I

Are we gonna love blind?
I just want it all
All the secrets of your crazy mind

You can see my red lips
I'm so ready
Promise that my lips will keep you steady
You don't even have to call me "baby"
Maybe we can hide, we can fly

Baby I don't mind
'Cause I'm feeling fly
It's just you and I
Are we gonna love blind?
I just want it all
All the secrets of your crazy mind

Baby I don't mind
'Cause I'm feeling fly
It's just you and I
Are we gonna love blind?
I just want it all
All the secrets of your crazy mind
