

Paranoia – DARIA

Strike one, your lies
I'm so tired of that feeling in my head
Strike two, your vibes
This ain't right it feels like the end

Dancing in the dark
Howlin' onto stars
Wondering where the devil you are
Who you wanna see?
Why it isn't me?
We got so far
Now you can hear me say

Baby
I don't know me no more lately
See the monster that you made me
Maybe it's a pa-pa-paranoia
Can't you see I'm crazy for ya!
Baby
I just wanna be your lady
But I think your friends they hate me
Hate me, baby it's a pa-pa-paranoia
Can't you see I'm crazy for ya!

I hear the calls
How they ring inside my mind
It's no surprise
I'm a monster now in your eyes

Dancing in the dark
Howlin' onto stars
Wondering where the devil you are
Who you wanna see?
Why it isn't me?
We got so far
Now you can hear me say

Baby
I don't know me no more lately
See the monster that you made me
Maybe it's a pa-pa-paranoia
Can't you see I'm crazy for ya!
Baby
I just wanna be your lady
But I think your friends they hate me
Hate me, baby it's a pa-pa-paranoia
Can't you see I'm crazy for ya!

Aaaa
Aaaa
Aaaa

Maybe it's a pa-pa-paranoia
Can't you see I'm crazy for ya!

Baby
I don't know me no more lately
See the monster that you made me
Maybe it's a pa-pa-paranoia
Can't you see I'm crazy for ya!
Baby
I just wanna be your lady
But I think your friends they hate me
Hate me, baby it's a pa-pa-paranoia
Can't you see I'm crazy for ya!
