

Waiting – Dash Berlin & Emma Hewitt

Fading of the day
As night takes over
And I can almost feel
You here
The cold wind is taking over
It's taking over
So far away
You're gone so long
Oh and I'm waiting
Haunted by your grace
You know I'm falling
So cold without you
Always in my mind
I hear you calling
I hear you calling
So far away
You're gone so long
Know that I'm waiting
The cool wind is taking over
It's taking over
Still you're
So far away
You're gone so long
Oh and I'm waiting
'Til that day
I take you home
Know that I'm waiting
Oh and I'm waiting
So far away
You're gone so long
Oh and I'm waiting
