

# Battleships – Daughtry

I'm sinking inside  
And the maps and lines  
Are broken down tonight  
I swallow my pride  
But we're drowning in the ocean  
And it's tearing my heart open  
Baby we're high then we're low,  
First it's yes then it's no,  
And we're changing like the tides  
Yeah, but I want you, I need you,  
And I guarantee you we'll make it out alive  
'Cause I don't wanna fight no more,  
Even when the waves get rough  
I don't wanna see the day  
We say we've had enough  
And I don't wanna fight this war  
Bullets coming off our lips  
But we stick to our guns  
And we love like battleships  
Like battleships  
Boom, ba-boom, boom, ba-boom, boom, boom  
Boom, ba-boom, boom, ba-boom  
And the cannon goes  
Boom, ba-boom, boom, ba-boom, boom, boom  
Boom, ba-boom, boom, ba-boom  
And the cannon goes  
Bombs fly through the air  
And I know that we're both playing  
Not so fair  
Ohh, show, show me you care  
I got my white flag up and it's waving  
'Cause you know this love's worth saving baby  
We're high then we're low,  
First it's yes then it's no,  
And we're changing like the tides  
Yeah, but I want you, I need you,

And I guarantee you we'll make it out alive  
'Cause I don't wanna fight no more,  
Even when the waves get rough  
I don't wanna see the day  
We say we've had enough  
And I don't wanna fight this war  
Bullets coming off our lips  
But we stick to our guns  
And we love like battleships  
Like battleships  
Boom, ba-boom, boom, ba-boom, boom, boom  
Boom, ba-boom, boom, ba-boom  
And the cannon goes  
Boom, ba-boom, boom, ba-boom, boom, boom  
Boom, ba-boom, boom, ba-boom  
And we love, yeah we love  
And we love, yeah we love  
I'm sinking inside  
Can we finally put our weapons down tonight?  
'Cause I don't wanna fight no more,  
Even when the waves get rough  
I don't wanna see the day  
We say we've had enough  
And I don't wanna fight this war  
Bullets coming off our lips  
But we stick to our guns  
And we love like battleships  
Like battleships  
Boom, ba-boom, boom, ba-boom, boom, boom  
Boom, ba-boom, boom, ba-boom  
And the cannon goes  
Boom, ba-boom, boom, ba-boom, boom, boom  
Boom, ba-boom, boom, ba-boom  
And the cannon goes  
Boom, ba-boom, boom, ba-boom, boom, boom  
Boom, ba-boom, boom, ba-boom  
And the cannon goes  
Boom, ba-boom, boom, ba-boom, boom, boom  
Boom, ba-boom, boom, ba-boom  
And we love like battleships
