

Start of Something Good – Daughtry

You never know
When you're gonna meet someone
And your whole wide world in a moment
Comes undone
You're just walking around and suddenly
Everything that you thought that you knew
About love is gone
You find out it's all been wrong
And all my scars don't seem to matter anymore
'Cause they led me here to you
I know that it's gonna take some time
I've got to admit that the thought
Has crossed my mind
This might end up like it should
And I'm gonna say what I need to say
And hope to God that it don't scare you away
Don't wanna be misunderstood
But I'm starting to believe that
This could be the start of something good
Na na na na na na na na na
Na na na na na na na na na
Na na na na na na na na na
Everyone knows life has its ups and downs
One day you're on top of the world
And one day you're the clown
Well I've been both enough to know
That you don't wanna get in the way
When its working out
The way that it is right now
You see my heart I wear it on my sleeve
'Cause I just can't hide it anymore
I know that it's gonna take some time
I've got to admit that the thought
Has crossed my mind
This might end up like it should
And I'm gonna say what I need to say

And hope to God that it don't scare you away
Don't wanna be misunderstood
But I'm starting to believe that
This could be the start
'Cause I don't know where it's going
There's a part of me that loves not knowing
Just don't let it end before we begin
You never know when you're gonna meet someone
And your whole wide world in a moment
Comes undone
I know that it's gonna take some time
I've got to admit that the thought
Has crossed my mind
This might end up like it should
And I'm gonna say what I need to say
And hope to God that it don't scare you away
Don't wanna be misunderstood
But I'm starting to believe
Oh, I'm starting to believe that
This could be the start of something good
Na na na na na na na na
(Yeah, the start of something good)
Na na na na na na na na
(Yeah)
