

Deja vu – Dave Rodgers

See your body into the moonlight
Even if I
Try to cancel
All the pictures
Into the mind
There's a flashing in my eyes
Don't you see my
Condition?
The fiction
Is gonna run it again
Can't you see now
Illusions?
Right into your mind
Déjà vu
I've just been in this place before
Higher on the street
And I know it's my time to go
Calling you,
And the search is a mystery
Standing on my feet
It's so hard when I try to be me,
Woah
Déjà vu
I've just been in this time before
Higher on the beat
And I know it's a place to go
Calling you
And the search is a mystery
Standing on my feet
It's so hard when I try to be me,
Yeah
See the future into the present
See my past leaves
In the distance
Try to guess now
What's going on

And the band begins to play
Don't you see my
Condition?
The fiction
Is gonna run it again
Can't you see now
Illusions?
Right into your mind
Déjà vu
I've just been in this place before
Higher on the street
And I know it's my time to go
Calling you,
And the search is a mystery
Standing on my feet
It's so hard when I try to be me,
Woah
Déjà vu
I've just been in this time before
Higher on the beat
And I know it's a place to go
Calling you
And the search is a mystery
Standing on my feet
It's so hard when I try to be me,
Yeah
See your body into the moonlight
Even if I
Try to cancel
All the pictures
Into the mind
There's a flashing in my eyes
Don't you see my
Condition,
The fiction
Has gone running again
Can't you see now,
Illusions
Right into your mind
Déjà vu

I've just been in this place before
Higher on the street
And I know it's my time to go
Calling you,
And the search is a mystery
Standing on my feet
It's so hard when I try to be me,
Woah
Déjà vu
I've just been in this time before
Higher on the beat
And I know it's a place to go
Calling you
And the search is a mystery
Standing on my feet
It's so hard when I try to be me,
Yeah
