

This One's For You – David Guetta (ft.Zara Larsson)

Mmm-mmm, oh
We're born to fly
So let's keep livin' 'til it all falls down
Let's close our eyes
And let the moment drown the whole world out
We're in this together
Hear our hearts beat together
We stand strong together
We're in this forever
This one's for you
This one's for you (Yeah-yeah, eh)
Wavin' colored flags
We won't surrender, there's no standin' down
Love's a playin' field (Uh huh)
It's full of winners, we're breakin new ground
We're in this together (Together)
Hear our hearts beat together
We stand strong together (Mmm)
We're in this forever (Forever)
This one's for you (Ooh)
This one's for you (Oh, yeah, yeah)
Mmh, together
Woah, woah
Ooooooh
We're in this together
Hear our hearts beat together (Yeah, yeah)
We stand strong together
We're in this forever (Ooh, oh, woah, yeah)
This one's for you
