## She Wolf - David Guetta

A shot in the dark, A past lost in space, And where do I start? The past and the chase You want to be gone Like a wolf, a predator I felt like a deer in the lights You loved me, and I froze in time, Hungry for that flesh of mine, But I can't compete with the she wolf, Who has brought me to my knees What do you see in those yellow eyes? Cause I'm falling to pieces I'm falling to pieces, I'm falling to pieces, I'm falling to pieces, Falling to pieces You loved me, and I froze in time, Hungry for that flesh of mine, But I can't compete with the she-wolf, Who has brought me to my knees What do you see in those yellow eyes? Cause I'm falling to pieces Did she lie and wait? Salivate to pull you in The threat of the kill You feel as I sit Alone with the wolves I know it seems, I felt I was part of you But I can't compete with the she wolf, Who has brought me to my knees What do you see in those yellow eyes? Cause I'm falling to pieces I'm falling to pieces, I'm falling to pieces,
