

# Fall Into You – David Hodges & Amy Lee

Seems so far  
That I have gone down this road  
Only to find that it ends  
But looking back  
There is one thing that I know  
I can't make it all alone again  
Cause I'm too weak to stand on my own  
But all I need is you  
So lead me  
Guide me  
Hold me  
Hide me in love  
With all that you are  
And all that you do  
Hear me  
Take me  
Mold me  
Break me oh God  
Just fill all of me  
As I fall into you  
Just catch me as I fall  
But all this time  
I have felt so alone  
Losing myself in my despair  
With loving arms  
You were waiting for me to let go  
With every step  
You were there  
Cause I'm too weak to stand on my own  
But all I need is you  
So lead me  
Guide me  
Hold me  
Hide me in love  
With all that you are  
And all that you do

Hear me  
Take me  
Mold me  
Break me oh God  
Just fill all of me  
Oh my child  
How I have longed  
For you to come home  
Where you belong  
All of your life if you could just see  
All of my joy when you are here with me  
Oh my child  
Lead me (How I have longed)  
Guide me (For you to come home)  
Hold me (To where you belong)  
Hide me in love (All of your life)  
With all that you are  
(If you could just see all of my joy)  
And all that you do  
(When you are here with me)  
Hear me  
Take me  
Mold me  
Break me oh God  
Just fill all of me  
As I fall into you
