

Phantom Liberty – Dawid Podsiadło

Found out

Treasures are always lost

Pleasures and rage combined

I'm watchin' you

Be careful with your moves

Tonight

I think the time is right

I think the blood has dried

It cries for more

So what are we waiting for?

Wires and chains

(I'm just tired of looking the other way)

Starting to fade

(I'm just tired of looking the other way)

It feels like a game

(I'm just tired of looking the other way)

You have to play

(I'm just tired of looking the other way)

Lights out

Is this who you really are?

Can't look into your eyes

Your twisted mind

It's dark, so dark

We end it now

It ends right here, right now

Please tell me you brought the iron

Let's light up the sky

And fade into the night

Wires and chains

(I'm just tired of looking the other way)

Starting to fade

(I'm just tired of looking the other way)

It feels like a game

(I'm just tired of looking the other way)

You have to play

(I'm just tired of looking the other way)

The days when it was good are gone
I'm tryna' see what it was for,
But I'll never know
And though it's dead I hear the call,
Ooh-ooh-ooh-ooh-ooh
Wires and chains
(I'm just tired of looking the other way)
Starting to fade
(I'm just tired of looking the other way)
Feels like a game
(I'm just tired of looking the other way)
You can't escape
(I'm just tired of looking the other way)
Wires and chains
(I'm just tired of looking the other way)
Starting to fade
(I'm just tired of looking the other way)
Feels like a game
(I'm just tired of looking the other way)
You can't escape
(I'm just tired of looking the other way)
I found out
Treasures are always lost
Pleasures are long forgotten
Who are you now?
