

Sorry For Everything – Dead by April

Sometimes you said
I didn't listen, to your words
That I even made you cry
Maybe I didn't show
In every possible way
How much I care
I'm sorry for, not being myself
For everything, ending this way
Maybe I, maybe you could need this change
I'm sorry for
For everything
I wish that I, could stop your tears
From falling down
Probably I'd make it worse
Maybe I wasn't always there
It doesn't mean I don't care
Whatever it was
I'm sorry for, not being myself
For everything, ending this way
Maybe I, maybe you could need this change
I'm sorry for
For everything
We're minutes away, from saying goodbye
For all of time
I'm seconds away, from breaking apart
I'm sorry for
For everything
I'm sorry for, not being myself
For everything, ending this way
Maybe I, maybe you could need this change
I'm sorry for (sorry for everything)
For everything (for everything)
