

# Warrior – Dead by April

[Intro]

Warrior! Warrior!

What doesn't kill you makes you stronger  
I can feel the blades cutting in my skin  
But there's a will within  
I'm looking it straight in the eye  
There's nothing to fear  
I am brave like a warrior

Be brave, there's a path to feed your hunger  
Fear is nothing to a warrior  
Don't be scared,  
What doesn't kill you makes you stronger  
(Of a warrior, of a warrior)

I am not afraid of tomorrow, no  
I've got a brave heart of a warrior,  
Of a warrior  
Even at the end of the road  
I go on I've got a strong heart  
Of a warrior, of a warrior (Of a warrior, of a warrior)

Gotta choose your battles wisely  
Sit upright inside  
I am brave, I'm a warrior  
Be strong, You can do whatever you set your mind  
To Uncover the confidence within you  
You can move mountains, you can break rocks  
(Of a warrior, of a warrior)

I am not afraid of tomorrow, no  
I've got a brave heart of a warrior, of a warrior  
Even at the end of the road I go on  
I've got a strong heart of a warrior, of a warrior

Warrior! (Warrior!)  
Of a warrior, of a warrior  
Warrior! (Warrior!)  
Of a warrior, of a warrior

Got the heart of a warrior  
Got the heart of a warrior, yeah!

I've got the brave heart  
I've got the brave heart  
Even at the end of the road I go on  
I've got a strong heart of a warrior, of a warrior

Warrior! (Warrior!)  
Of a warrior, of a warrior  
Warrior! (Warrior!)  
Of a warrior, of a warrior
