

# Be Alright – Dean Lewis

I look up from the ground  
To see your sad and teary eyes  
You look away from me  
And I see there's something you're tryna hide  
And I reach for your hand but it's cold  
You pull away again  
And I wonder what's on your mind  
And then you say to me you made a dumb mistake  
You start to tremble and your voice begins to break  
You say the cigarettes on the  
Counter weren't your friend's  
They were my mate's  
And I feel the color draining from my face  
And my friend said  
"I know you love her, but it's over, mate  
It doesn't matter, put the phone away  
It's never easy to walk away, let her go  
It'll be alright"  
So I still look back at all the messages you'd sent  
And I know it wasn't right,  
But it was fucking with my head  
And everything deleted like the past, yeah, it was gone  
And when I touched your face,  
I could tell you're moving on  
But it's not the fact that you kissed him yesterday  
It's the feeling of betrayal,  
That I just can't seem to shake  
And everything I know tells me that I should walk away  
But I just wanna stay  
And my friend said  
"I know you love her, but it's over, mate  
It doesn't matter, put the phone away  
It's never easy to walk away, let her go  
It'll be okay  
It's gonna hurt for a bit of time  
So bottoms up, let's forget tonight

You'll find another and you'll be just fine  
Let her go"  
But nothing heals the past like time  
And they can't steal  
The love you're born to find  
But nothing heals the past like time  
And they can't steal  
The love you're born to find  
"I know you love her, but it's over, mate  
It doesn't matter, put the phone away  
It's never easy to walk away, let her go  
It'll be okay  
It's gonna hurt for a bit of time  
So bottoms up, let's forget tonight  
You'll find another and you'll be just fine  
Let her go"  
It'll be alright  
It'll be alright  
It'll be alright  
It'll be alright  
It'll be alright
