

# Everybody loves somebody. – Dean Martin

Everybody loves somebody sometime  
Everybody falls in love somehow  
Something in your kiss just told me  
My sometime is now

Everybody finds somebody someplace  
There's no telling where love may appear  
Something in my heart keeps saying  
My someplace is here

If I had it in my power  
I'd arrange for every girl to have your charms  
Then every minute, every hour  
Every boy would find what I found in your arms

Everybody loves somebody sometime  
And although my dreams were overdue  
Your love made it all worth waiting  
For someone like you

If I had it in my power  
I'd arrange for every girl to have your charms  
Then every minute, every hour  
Every boy would find what I found in your arms

Everybody loves somebody sometime  
And although my dreams were overdue  
Your love made it all worth waiting  
For someone like you
