Let it snow - Dean Martin

Oh, the weather outside is frightful But the fire is so delightful And since we've no place to go Let it snow, let it snow,

Man, it doesn't show signs of stopping And I've brought me some corn for popping The lights are turned way down low Let it snow, let it snow

When we finally kiss goodnight How I'll hate going out in the storm But if you really hold me tight All the way home I'll be warm

And the fire is slowly dying And, my dear, we're still goodbying But as long as you love me so Let it snow, let it snow, and snow

When we finally kiss goodnight How I'll hate going out in the storm But if you really grab me tight All the way home I'll be warm

Oh, the fire is slowly dying And, my dear, we're still goodbying But as long as you love me so Let it snow, let it snow
