

CupcaKKe – Deepthroat

Molly on the beat
Hump me, fuck me
Daddy better make me choke (you better)
Hump me, fuck me
My tunnel loves to deep throat (it do)
Lick, lick, lick, lick (I lick it)
I want to eat yo' dick (I do)
But I can't fuck up my nails (I can't)
So I'mma pick it up with chopsticks
Mouth wide open, mouth wide open
Mouth wide open like I was at the dentist
Mouth wide open, mouth wide open
Put it so deep, I can't speak a sentence
Mouth wide open, mouth wide open
Mouth wide open like I was at the dentist
Mouth wide open, mouth wide open
Put it so deep I can't speak a sentence
My fingers in it, gentle
Explore this nigga mental
I'mma write my name on his dick (his dick)
Don't need a pen or a pencil (no I don't)
All I need is my body
My pussy pink just like salami
Don't need no drink to get naughty
'Cause bitch I'm not Bill Cosby
My pussy mean, and it's clean
I'm not a squirter, I cream
Keep it smelling like baby wipes
I never smell like sardines (ew)
This will never fucking end
Ballerina that dick when I spin
I fucked this nigga so good
I ain't swallow one kid,
I think I swallowed twins
Hump me, fuck me
Daddy better make me choke (you better)

Hump me, fuck me
My tunnel loves to deep throat (it do)
Lick, lick, lick, lick (I lick it)
I want to eat yo' dick (I do)
But I can't fuck up my nails (I can't)
So I'mma pick it up with chopsticks
Mouth wide open, mouth wide open
Mouth wide open like I was at the dentist
Mouth wide open, mouth wide open
Put it so deep, I can't speak a sentence
Mouth wide open, mouth wide open
Mouth wide open like I was at the dentist
Mouth wide open, mouth wide open
Put it so deep I can't speak a sentence
Just come put it down my butt (my butt)
Let's shoot a movie, no cuts
Ride the dick, get my nipples licked
That's breastfeeding while we fuck
Finna get the dick wet and firm
You better sweat me out of my perm
Can't wait till it's my turn
I wanna blow bubbles with sperm
Wanna hit it from the back,
let me arch my back
Once I arch my back
That mean attack this pussy
Don't need a pornstar,
'cause I'm the moderin'
All my spit on his dick sound
Like I'm gargling
Make him bust three nuts, is the task
My panties stuck in my ass
So I pulled them down to show him the pearl
Made his pubic hairs curl fast
Fuck this pussy
Fuck this pussy
Fuck this pussy
Come fuck this pussy
Fuck this pussy
Fuck this pussy

Fuck this pussy
Come fuck this pussy
