

Dream it possible – Delacey

I will run, I will climb, I will soar
I'm undefeated, ooh
Jumping out of my skin, pull the chord
Yeah I believe it, ooh
The past is everything we were
Don't make us who we are
So I'll dream, until I make it real
And all I see is stars
It's not until you fall that you fly
When your dreams come alive
you're unstoppable
Take a shot, chase the sun,
find the beautiful
We will glow in the dark turning dust to gold
And we'll dream it possible
Possible, ooh
And we'll dream it possible
I will chase, I will reach, I will fly
Until I'm breaking, until I'm breaking
Out of my cage, like a bird in the night
I know I'm changing, I know I'm changing
In, into something big
Better than before
And if it takes, takes a thousand lives
Then it's worth fighting for
It's not until you fall that you fly
When your dreams come alive
you're unstoppable
Take a shot, chase the sun,
Find the beautiful
We will glow in the dark turning dust to gold
And we'll dream it possible, ooooh
It possible, oh, ooh
From the bottom to the top
We're sparking wild fires
Never quit and never stop

The rest of our lives
From the bottom to the top
We're sparking wild fires
Never quit and never stop
It's not until you fall that you fly
When your dreams come alive
You're unstoppable
Take a shot, chase the sun,
find the beautiful
We will glow in the dark,
Turning dust to gold
And we'll dream it possible
Possible, ooh
And we'll dream it possible
