Intro

:)

Give me release

Witness me

I am outside

Give me peace

Heaven holds a sense of wonder

And I wanted to believe

That I'd get caught up

When the rage in me subsides

Przerwa

Passion chokes the flower

'til she cries no more

Possessing all the beauty

Hungry still for more

Heaven holds a sense of wonder

And I wanted to believe

That I'd get caught up

When the rage in me subsides

In this white wave
I am sinking
In this silence
In this white wave
In this silence
I believe

I have seen you
In this white wave
You are silent
You are breathing
In this white wave
I am free

In this white wave
I am sinking
In this silence
In this white wave
In this silence
I believe

I have seen you
In this white wave
You are silent
You are breathing
In this white wave
I am free

Przerwa

Heaven holds a sense of wonder
And I wanted to believe
That I'd get caught up
When the rage in me subsides

In this white wave
I am sinking
In this silence
In this white wave
In this silence

I believe

I have seen you
In this white wave
You are silent
You are breathing
In this white wave
I am free

In this white wave
I am sinking
In this silence
In this white wave
In this silence
I believe

I have seen you
In this white wave
You are silent
You are breathing
In this white wave
I am free
