Give Your Heart a Break – Demi Lovato

The day I first met you You told me you'd never fall in love But now that I get you I know fear is what it really was Now here we are, so close Yet so far, haven't I passed the test? When will you realize Baby, I'm not like the rest Don't wanna break your heart I wanna give your heart a break I know you're scared it's wrong Like you might make a mistake There's just one life to live And there's no time to wait, to waste So let me give your heart a break Give your heart a break Let me give your heart a break Your heart a break Oh, yeah yeah On Sunday, you went home alone There were tears in your eyes I called your cell phone, my love But you did not reply The world is ours, if you want it We can take it, if you just take my hand There's no turning back now Baby, try to understand Don't wanna break your heart Wanna give your heart a break I know you're scared it's wrong Like you might make a mistake There's just one life to live And there's no time to wait, to waste So let me give your heart a break Give your heart a break

Let me give your heart a break Your heart a break There's just so much you can take Give your heart a break Let me give your heart a break Your heart a break Oh, yeah yeah When your lips are on my lips And our hearts beat as one But you slip right of my fingertips Every time you ruuuun, whoa Don't wanna break your heart Wanna give your heart a break I know you're scared it's wrong Like you might make a mistake There's just one life to live And there's no time to wait, to waste So let me give your heart a break Cuz you've been hurt before I can see it in your eyes You try to smile it away Some things, you can't disguise Don't wanna break your heart Baby, I can ease the ache, the ache So, let me give your heart a break Give your heart a break Let me give your heart a break Your heart a break There's just so much you can take Give your heart a break Let me give your heart a break Your heart a break Oh, yeah yeah The day I first met you You told me you'd never fall in love
