

Really Don't Care – Demi Lovato

You wanna play
You wanna stay
You wanna have it all
You started messin' with my head until I hit a wall
Maybe I should have known,
Maybe I should have known,
That you would walk, you would walk out the door
Hey!
Said we we're done, then met someone
And rubbed it in my face
'Cause to the part, she broke your heart,
And late she run away
I guess you should have known,
I guess you should have known,
That I would talk, I would talk

But even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
Ooh-oo-hoo-hoo
I really don't care
Even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
Ooh-oo-hoo-hoo
I really don't care
Ooh-oo-hoo-hoo
I really don't care

I can't believe I ever stayed up
writing songs about you
You don't deserve to know the way
I used to think about you
Oh no not anymore
Oh no not anymore
You had your shot

Had your shot
But you let go
Now if we meet out on the street
I won't be runnin' scared
I'll walk right up to you and put one finger in the air
And make you understand
And make you understand
You had your chance
Had your chance

But even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
Ooh-oo-hoo-hoo
I really don't care
Even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
Ooh-oo-hoo-hoo
I really don't care
Ooh-oo-hoo-hoo
I really don't care

[Cher Lloyd]
Uh huh, OK, yeah, listen up
Hey, hey never look back
Dumbstruck boy, ego intact
Look boy, why you so mad?
Second guess him, but should've hit that

Hey Demi, you picked the wrong lover
Shoulda picked that one he's cuter than the other
I just wanna laugh 'cause you tryna be a hipster
Kick him to the curb, take a polaroid picture

But even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
Ooh-oo-hoo-hoo
I really don't care

Even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
Ooh-ooh-ooh
I really don't care
Ooh-ooh-ooh
I really don't care
