

# We can't back down – Demi Lovato

We can't, we can't back down  
We can't, we can't back down  
We can't, we can't back down  
We can't, we can't back down  
Not right now, we can't back down  
We can't back down

Oh oh, yeah yeah yeah  
Don't close your eyes  
We're all in this together, wherever  
They draw the line  
We're not gonna straddle across it or lose it

We can't back down  
There's too much at stake  
This is serious  
Don't walk away  
We can't pretend  
It's not happening  
In our own backyard  
Our own home plate  
We get called out (we get called out)  
Do you hear your name?  
I'm not confused  
Let's win this thing  
We can't back down  
There's too much at stake  
Don't walk away (don't walk away)  
Don't walk away

Yeah, yeah, yeah  
Don't get me wrong  
I don't like confrontation  
I'd rather we all just get along  
Music should be undivided, united

We can't back down  
There's too much at stake  
This is serious  
Don't walk away  
We can't pretend  
It's not happening  
In our own backyard  
Our own home plate  
We get called out (we get called out)  
Do you hear your name?  
I'm not confused  
Let's win this thing  
We can't back down

We can't back down Not right now, we can't back down
