Here's a song

From the wrong side of town

Where I'm bound

To the ground

By the loneliest sound

That pounds from within

And it's pinning me down

Here is a page

From the emptiest stage

A cage or the heaviest cross ever made

A gauge of the deadliest trap ever laid

And I thank you

For bringing me here

For showing me home

For singing these tears

Finally I've found

That I belong here

The heat and the sickliest

Sweet smelling sheets

That cling to the backs of my knees

And my feet

Well I'm drowning in time

To a desperate beat

And I thank you

For bringing me here

For showing me home

For singing these tears

Finally I've found

That I belong

Feels like home

I should have known

From my first breath

God send the only true friend

I call mine

Pretend that I'll make amends

The next time

Befriended the glorious end of the line And I thank you For bringing me here For showing me home For singing these tears Finally I've found That I belong here
